WILL YOU JOIN US?

I hope you have enjoyed reading about the Rajiv Gandhi Foundation's activities.

The full scope of our programmes has only been possible thanks to the financial support of individuals, companies and donor agencies. All have played their part in helping us, in a modest way, to move towards our vision of an economically sound and just India. But there is so much more we could do, if only we had the financial resources.

Please join us by pledging your support for our work. Here are just some of the sponsorship opportunities that exist:

- Rs 1,000 could pay for a cataract operation on our Lifeline Express project
- Rs 12,000 per annum could support one of our project INTERACT children for a year
- Rs 50,000 could establish another village library
- Rs 70,000 could pay for one motorised triwheeler for a disabled person
- Rs 2 lakhs could help establish another water harvesting project
- Rs 5 lakhs could buy one mobile primary health care van

Alternatively you may choose to send a one-off donation so that we can allocate the funds where they are needed most.

For further information on project sponsorship opportunities or to share an idea on how you could support any aspect of our work, please call now on 2371 6450 or e-mail info@rgfindia.org. All donations to the Foundation are tax deductible to the extent of 50 per cent under section 80G of the Income Tax Act.

Thank you
